

Dear Community Groups, Activists and union members:

Doctors Council SEIU and NYSNA members at Riker's Island are standing together to demand Safety, Respect and a Fair Contract.

There will be a joint action with Doctors Council and the Nurse's Union (NYSNA) of informational picketing at the bridge to Riker's Island on Tuesday, June 25th in three shifts- 7am-9am; 11:30am-1:30pm and 3pm-5pm.

A doctor and two nurses were recently assaulted while providing care. We have been facing physical assaults on the job, repeated mandation of overtime, short staffing, unsafe working conditions and now the employer is asking for give-backs in contract negotiations.

CONTRACT ACTION DAY at Rikers Island

TUESDAY, JUNE 25TH

7am-9am/ 11:30am-1:30pm/ 3pm-5pm

YES, I'LL BE THERE!

- SAFETY
- RESPECT
- CONTRACT

We need you to be there on **Tuesday June 25, 2013** as we leaflet outside of Rikers Island at the intersection of **Hazen Street and 19th Avenue** (the entrance to the road to the bridge). Please join us at one or more time shifts: **7am-9am, 11:30am-1:30pm, 3pm-5pm.**

Corizon employs the doctors and nurses and they need to hear a clear message. We need to support health care workers in the fight to protect standards for doctors and nurses and those we take care of in all of our facilities.

Please join us on Tuesday, June 25th at the corner of Hazen Street and 19th Avenue in Queens, zip code 11370. Please spread the word to interested colleagues, groups and organizations.

Contact Doctors Council at 212-532-7690 or info@doctorscouncil.com for more information or to tell us you or someone you know will be there.

We appreciate your support for doctors and nurses and safe care.
