

# **Rally for Our Brothers and Sisters at** **CNN!**

After 10 long years, the NLRB has finally released a decision ordering CNN to reinstate our members' jobs there, to make whole our members for 10 years of lost back pay, and to recognize NABET-CWA as the rightful collective bargaining agent for these workers. And does CNN do the right thing? No! They are seeking to prolong this travesty even longer by filing an appeal in Federal District Court, avoid their responsibilities, once again! This is corporate greed at its worst. Our members at CNN now need your support. Local 11 is planning a rally at CNN's New York City studios on Columbus Circle, Manhattan, on Friday, September 26<sup>th</sup> from 4:30pm-6:00pm. Please come out to attend this very important event to support our members. Bring a red tee shirt and a whistle!
